

UNIVERSITY OF CALIFORNIA

Soil and Water Short Course

Thursday, November 17, 2016 ■ 8:20 AM-4:30 PM
Walter A. Buehler Alumni Center, UC Davis

This short course will focus on the practical aspects of soil fertility management in an era of volatile fertilizer costs, uncertain water supply and increasing government regulation.

TOPICS covered include ▪ getting the maximum value from soil and water testing ▪ comparing fertilizer sources ▪ irrigation water quality effects on soil management ▪ nitrogen management and environmental protection.

Although the focus will be on nutrient management in annual cropping systems, much of the material presented will be relevant to perennial crops as well. Presentations will address fertility management issues for both conventional and organic production. The content will be geared toward commercial-scale production, and will assume **attendees have a working knowledge** of basic soil science.

WHO SHOULD ATTEND

Growers, consultants, government agency personnel, and others involved in soil fertility management will find this course valuable. Attendance would be useful for anyone preparing to take the California Certified Crop Advisor (CCA) exam. This course is **not appropriate** for home gardeners.

INSTRUCTORS

UC Davis Cooperative Extension Specialists **Tim Hartz** and **Daniel Geisseler** and UC Cooperative Extension Farm Advisors **Michael Cahn** and **Franz Niederholzer**.

COST \$180 if received by 11/16/2016 (*before event*)
\$200 if received after 11/16/2016 (*on/after event*)

Course fee includes light refreshments, lunch and handout material. **CLASS SIZE IS LIMITED**, so early enrollment is suggested.

PAYMENT

Make checks payable to **UC REGENTS**. Credit cards (*VISA, MasterCard, American Express, and Discover*) accepted online. UC account numbers accepted.

REGISTER

Online: <http://vric.ucdavis.edu>

Mail your completed form and payment to:
UC **VEGETABLE RESEARCH & INFORMATION CENTER**
DEPT. OF PLANT SCIENCES, MS4
ONE SHIELDS AVENUE
DAVIS, CA 95616

No **REFUNDS** will be granted. If you are unable to attend, you may send a substitute in your place.

CHECK-IN

The event check-in desk opens at 7:30 AM at the Walter A. Buehler Alumni Center, UC Davis (530 Alumni Center Drive, Davis, CA).

CONTINUING EDUCATION CREDIT

This course is approved for CCA credit (3.5 Nutrient Management, 2.5 Soil & Water Management.)

PARKING

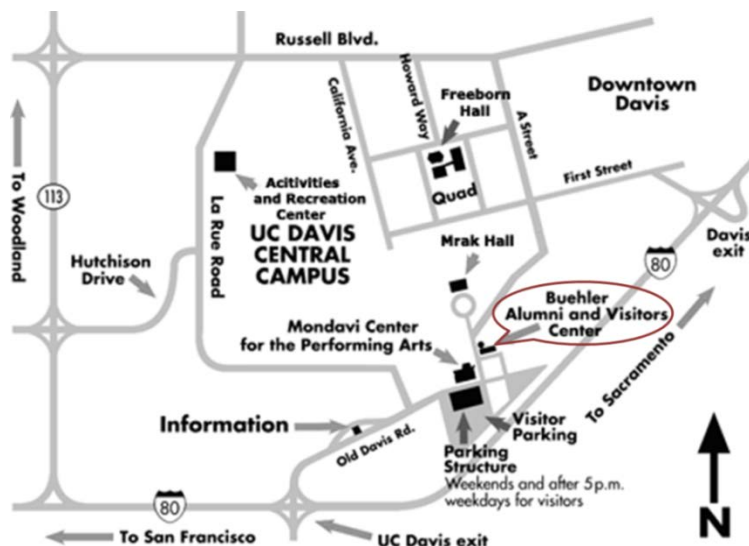

Visitor parking permits cost \$9/day. Permit dispensers accept only VISA and MasterCard. We recommend parking in the south GATEWAY parking structure or Lot 1 (<http://campusmap.ucdavis.edu/?b=31>).
